

Proudly announcing our new upcoming event **Tech Jobs Fair 2020 in Berlin, starting on the 16th of April 2020** with a Tech, Innovation and Career Concept. The Tech Jobs Fair is in **its seventh edition in Berlin** and will be held at the great and central venue of Deutsche Telekom AG, Hauptstadtrepräsentanz!

Visitors can find all kinds of Startups, SME and Corporate companies from all around the world in the fair. Tech Jobs Fair aims at connecting the best Companies with Talented Job Seekers and therefore it is the right place to be for all kinds of Companies, Talents and Job Seekers from all kinds of experienced levels.

It is more than a job fair, where you, and your brand will be highlighted. This Tech Festival will surely solve the purpose for many. The event is open for all the professionals who are looking for career growth, discovering great ideas, meeting inspiring people and also fresh graduates who want to give wings to their dreams. The fair will help in connecting the aspiring talents from all over Germany as it is open for both professional and young ambitious intellectuals. It is a great opportunity for job seekers and employers to find the best from the available resources. Our mission is to help Germany become a global Tech hub. Together with our partners, we want to take part in making Germany a leading global destination for high impact companies who want to learn and grow. The event is great for meeting with recruiters face to face, networking with other corporations, increase brand awareness and it is therefore a unique opportunity for job seekers to make personal connections.

Last year, Tech Jobs Fair in Berlin had more than 2000 attendees, 20 speakers, more than 30 community partners and over 30 company partners visiting. Some companies who attended last year's fair include Deutsche Telekom, Qt, Aroundhome, Finleap, Zoi, Zizoo, among others.

The job fair continues during the day with the company's stands and professional talks, while the networking party will close the Tech Jobs Fair 2020. It is a great opportunity to

meet with your peers in a more relaxed and informal environment, having a drink or two. Ashok Dudhat, Founder & CTO of Tech Jobs Fair will be there too, so this is a chance to connect with him in person.

*More about the Tech Jobs Fair:*

*The first edition took place in Berlin in 2017. The following cities were Vienna Zurich and Lisbon, all in 2019. The event has had more than 10k visitors so far (total). The founder, Ashok Dudhat, is based in Berlin and works from there with local professionals in the different cities where the job fair takes place.*
